## **MARCH 15, 2010 DEADLINE FOR LPN REGISTRATION RENEWAL**

PEI Licensed Practical Nurses (LPNs) must apply for license renewal by March 15, 2010 because all licenses issued for 2009-2010 will expire on March 31, 2010.

Forms and payments must be received by this date to allow for processing and employer verification.

Annual licensing is an important aspect of self-regulation. It is through self-regulation that the profession is able to set professional standards for the membership. These standards are developed through consultation with educators, practitioners and employers.

For more information about LPN license renewal, please contact Alana Essery, [aessery@lpna.ca](mailto:aessery@lpna.ca) or 566-1512.
